

FILLING OUT YOUR MAIL-IN BALLOT

IMPORTANT REMINDERS

When filling out your mail-in ballot, remember to avoid these common errors that could prevent your ballot from being counted:

- Do not place an identifying mark on your actual ballot, such as your name.
- If your household has multiple family members voting by mail, do not place multiple ballots in one return envelope. Each ballot should go in the return envelope provided.
- Make sure your ballot is postmarked by **November 3**, or in a secure drop box by **8 PM on November 3**.
- **REMEMBER TO SIGN THE OATH ON THE RETURN ENVELOPE.** (This is a common oversight)

Reminder: In order to vote by mail, you must request your mail-in ballot. That request must be received by October 20, 2020. To request your ballot:
