Christmas Tree Decorating Safety Tips:

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

Picking the tree

Choose a tree with fresh, green needles that do not fall off when touched.

Placing the tree

Before placing the tree in the stand, cut 2" from the base of the trunk.

Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.

Make sure the tree is not blocking an exit.

Add water to the tree stand. Be sure to add water daily.

Lighting the tree

Use lights that have the label of a recognized testing laboratory. Some lights are only for indoor or outdoor use.

Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.

Never use lit candles to decorate the tree.

Always turn off Christmas tree lights before leaving home or going to bed.

After Christmas

Get rid of the tree after Christmas or when it is dry.

Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.

Check with your local community to find a recycling program.

Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer

The Berwyn Heights Volunteer Fire Department and Rescue Squad is holding our Annual Christmas Trees Fundraiser Sale in the rear parking lot of the Firehouse. This is one of our most important fundraisers of the year and would like to thank everyone in advance for your support!

Tree sales will begin Saturday November 27th, 2021, and run until trees are sold out.

Sale Hours: Monday-Friday 5pm-9pm Sat/Sun- 9am-9pm

We accept cash, checks, and credit cards. All our trees are sold by our dedicated volunteer firefighters & EMTs, and they would be happy to answer any questions on how to become a volunteer firefighter/EMT!

Station Location: 8811 60th Ave Berwyn Heights MD 20740
