Short-Term Rental Licensing in Berwyn Heights

To operate a short-term rental within the Town of Berwyn Heights, a property owner must obtain both a Prince George's County Short-Term Rental License followed by a Town of Berwyn Heights Rental License. All short-term rentals are inspected by the Town of Berwyn Heights Code Compliance annually.

Step 1: Obtain a Prince George's County Short-Term Rental License

Information on the County's short-term licensing regulations and application process can be found at <https://www.princegeorgescountymd.gov/3688/Short-Term-Rental-Licensing>

Step 2: Obtain a Town of Berwyn Heights Rental License/Inspection

Once a property owner obtains an approved County Short-Term Rental License, they are required to obtain a Town of Berwyn Heights Rental License. Along with a Town's completed rental application (see link above) and \$300 annual fee, please submit one (1) copy of the County's submitted application and one (1) copy of the approved County Short-Term Rental License.

If you suspect that a property is being rented as a short-term rental without a license, we encourage you to contact the Town at 301-474-5000 or Code@BerwynHeightsMD.gov

Curbside Composting

The Town is starting a pilot program to offer food compost bins. A pallet of two different sizes have been ordered. If you are interested in participating, please contact Director of Public Works, Brad Pudner to request a bin.

October is Cybersecurity Awareness Month

Visit [Ready.gov/cybersecurity](https://ready.gov/cybersecurity) for ways to protect yourself from a cyberattack as well as what to do during and after an attack.

Cooking Fire Safety

Cooking can be a fun and relaxing experience that brings family and friends together. However, cooking is also the number one cause of home fires and injuries.
