# WINTER WEATHER TIPS

As we prepare to encounter winter weather, be mindful of the following tips:

- Have snow shovels and ice melt on hand.
- Be prepared to shelter in place, have an adequate supply of all essentials on hand, including food and medicines.
- Avoid driving in snow as much as possible. If you need to drive, keep a safe distance between your vehicle and others and drive slowly.

In Berwyn Heights, plows will begin when there is about 2 inches of accumulation.

Amount of Snow	Time to Make Roads Passable	Time to Fully Clear Roads
< 4 inches	4-6 hours	1 day
4-6 inches	6-8 hours	2-3 days
> 6 inches	8+ hours	3-5 days
