Tree Protection Demonstration

Residents are invited to come learn maintenance skills to protect their beautiful shade trees.

On March 12, 2022 at 10 a.m. (rain date March 19), near the basketball courts at the Community Center / Elementary School, a professional arborist will demonstrate how to trim invasive vines. Ask questions and get advice.

Do you want a volunteer to come to your home to show you how to trim vines to protect your trees? Email us:
