The Greenbelt Road Corridor Plan project is underway. If you missed the visioning meeting, you can watch the recording and review the Power Point on the project's website. Don't forget to leave your input on the project on the interactive map. An overview on how to use the map can be found on the meeting video from 1:17:27 through 1:24:00. Comments will be accepted through March 31. Mark your calendars for the next public meeting, on March 23 at 8pm. This will be a virtual Greenbelt City Council meeting where the project team will present preliminary recommendations. Log in details and registration link will be sent closer to the date, and will also be available on the project webpage. If you prefer to send input via USPS, please direct your comments to Holly Simmons, Community Planner, 15 Crescent Rd, Greenbelt, MD 20770.
