Blood Drive

Give the gift of life this March. The American Red Cross is experiencing an emergency blood shortage. The number of donors are at the lowest it's been in twenty years. The Town of Berwyn Heights will be hosting its inaugural blood drive on March 14, 2024 beginning at noon in the Town Center. Slots available from 12-4:45PM. Sign up at the [American Red Cross](#).

February 9, 2024

CPR/AED First Aid Class

Neighborhood Watch/Emergency Preparedness is sponsoring two very important classes to help equip the community with skills that can save a life.

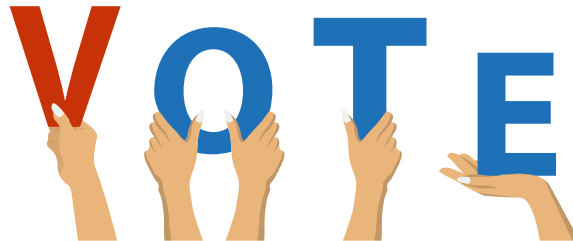

CPR/AED and First Aid training will take place on Saturday, February 24th from 1-4PM in the Town Center (2nd Floor). This life-saving class will cover topics such as Cardio-Plummonary Resuscitation (CPR), use of an Automated External Defibrillator (AED), choking response, and bleeding and wound care.

Advance registration is required and all who register by February 22nd will be awarded CPR certification upon completion of the class.

You can register in person at Town Hall, by calling the Town Office, or emailing contact@berwynheightsmd.gov

TOWN ELECTIONS!

Unclaimed Property Day

Governor Moore proclaimed February 1st “Unclaimed Property Day” in the State of Maryland. What is unclaimed property? Mostly, it’s money that is the result of doing business. It might be unclaimed wages, benefit distributions, bank accounts, or travelers checks.

Visit the [Comptroller of Maryland](#) to determine if YOU have unclaimed property.

100 Years of the BHFVD

The Berwyn Heights Volunteer Fire Department & Rescue Squad, INC. is celebrating 100 years of service to our community this year! The Department was organized in 1924 by members of the public in the Town of Berwyn Heights. Since then, the department has continued to evolve to match the growth of the community and the continued need for fire and emergency services to the greater Prince George’s County area.

Learn more about the Department's History here:
