JANUARY 13- GREEN TEAM 7PM  
VIRTUAL

# SNOW, SNOW and more SNOW!

Winter weather has hit the Mid-Atlantic. Be sure to check out the Town Website and Social Media to stay on top of the changes that may occur due to storms. Notably, trash and recycling schedules may be impacted. You can sign up to receive alerts about Town News and Announcements [here](#).

Did you know that you can shovel snow in such a way that it minimizes the snow that blocks your drive way from snow plows. Check out the video [here](#)!

# Keep in Mind:

It will take Public Works Crews some time to clear snowfall from the roads.

Amount of Snow	Time to Make Roads Passable	Time to Fully Clear Roads
< 4 inches	4-6 hours	1 day
4-6 inches	6-8 hours	2-3 days
> 6 inches	8+ hours	3-5 days

# PGCPS UPDATES

## Safety First: Virtual Learning for Students Through Jan. 14

Amid a rise in COVID-19 cases in schools and new quarantine guidance from the Prince George's County Health Department, CEO Dr. Monica Goldson announced a temporary shift to virtual learning for all students. In-person learning will resume Tuesday, Jan. 18, following the Dr. Martin Luther King Jr. holiday.

For this week, breakfast and lunch will be available for pick up at 20 school sites from 11 a.m. to 1:00 p.m. on January 5; for 2 days of breakfast and lunch on Thursday, January 6 from 10 a.m. to noon. The list of schools is available [online](#) and it appears that Riverdale Elementary may be the closest location to Berwyn Heights.

## Share Feedback: 2022-23 School Calendar

Prince George's County Public Schools is developing the calendar for the 2022-2023 school year. Your feedback will help us develop a calendar that best meets the needs of our school community. PGCPS is encouraging participation from parents, students, employees and county residents. Please review the [three draft options](#) (with start dates before and after Labor Day) and share your input using the [feedback form](#) by Friday, January 14.

## Take the Prince George's County Public Schools' Culture & Climate Survey!

After some technical difficulties, the [2021 Culture & Climate Survey](#) is back online! Prince George's County Public Schools (PGCPS) would like you to share your thoughts on the district's culture and climate. PGCPS will use the feedback received to ensure that district offerings meet the needs of students, parents, and staff, consistent with the district's goals.

Your input matters. If you previously responded to this survey, we would appreciate it if you would complete it again, and apologize for the inconvenience. This survey should take no more than 10-15 minutes to complete.
