Stormwater Mitigation Reimbursement Grant

Did you know that the Town of Berwyn Heights has a stormwater mitigation reimbursement grant? If you have or are planning to do projects to help mitigate future storm damage to your home you may be eligible to have some of your expenses reimbursed. This grant operates by reimbursing eligible homeowners (dollar for dollar) 50% of the costs associated with efforts with a maximum grant not to exceed \$7,500.

Examples of projects that may be approved include

- Hurricane impact-rated permanent glass protection and flood proof windows.
- Custom ground floor or basement window wells
- A flood alert system
- Sump pump battery backup to provide against power outages
- Water resistant material around foundations
- An Earthen Berm

Contact Town Hall for a complete list of eligible expenses.

Other opportunities for Berwyn Heights residents include

- Residential Floodgates
- ARPA Funded Residential Relief
- ARPA Funded Grants for Berwyn Heights Business
