Got questions about the Town's future plans?

**Do you want to tell the Council how to spend next year's
budget and the American Rescue Plan Act (ARPA) funding?**

Be sure to attend one of the three Strategic Planning meetings hosted
by the Town Council. We want to hear from you!

In Person Meetings

Senior Center, 8603 57th Ave., Berwyn Heights

November 4, 2021 – 7 pm

November 8, 2021 – 7 pm (ASL Interpretation available)

Virtual Meeting

November 15, 2021 – 7 pm (The zoom meeting information will be
published with the agenda with a phone number you can call if you
prefer.)

Spanish Language Interpretation will be available at all three meetings.
Berwyn Heights SWAG will be raffled off at the end each of the three
meetings.

These meetings are a follow up to the surveys the Town recently
released. Topic areas include: social networking and how it can support
our community in difficult times; ways to address the education loss
that resulted from the pandemic; examples of good communication
between the Town and the community; as well as which specific
projects should the Town implement with the ARPA funding.

The feedback provided during these meetings will help the Council set
priorities for the ARPA funding and the FY 2023 Budget, which starts
on July 1st. We look forward to seeing and hearing from you!
